Mark, Ms. Sesko (b) (6): She will be returning to Bremerton the middle of next week. She in fact did review and approve the answers/responses/objections before I sent them to you; it was not possible however for her to track down a notary and get the document notarized and sent back to me in time to get the substance of the response to you today.

I will discuss your letter with Ms. Sesko on her return and will notify you promptly of our response.
